

United States District Court
For the Northern District of California

IN THE UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF CALIFORNIA

AMANDA FRLEKIN, *et al.*, on behalf of
themselves and all others similarly situated,

No. C 13-03451 WHA
No. C 13-04727 WHA

Plaintiffs,

v.

APPLE, INC.,

REQUEST FOR RESPONSE

Defendant.

TAYLOR KALIN, individually and on behalf
of all others similarly situated,

Plaintiffs,

v.

APPLE, INC.,

Defendant.

Frlekin was commenced in July 2013; *Kalin* was commenced in October 2013.

A May 2014 order stayed both *Frlekin* and *Kalin* pending *Busk* but stated that “[b]oth sides,
however, are expected to continue with discovery as to the California state-law claims.”

The fact discovery deadline at the time was October 31, 2014. That deadline was then continued
to December 1, 2014 (Dkt. Nos. 56, 166, 178).

The fact discovery deadline was then again continued to March 16, 2015. The motion for
class certification is due by May 2015, and trial is set for September 2015 (Dkt. No. 198).

United States District Court

For the Northern District of California

1 After the stay was lifted, plaintiffs were asked to address jurisdiction along with any
2 motion for leave to file a second amended complaint since they themselves stated that “the Court
3 should determine under 28 U.S.C. [Section] 1367(c)(3) whether it wishes to exercise
4 supplemental jurisdiction over Plaintiffs’ California claims or whether Plaintiffs should pursue
5 those claims in California state court” (Dkt. Nos. 211, 214).

6 On January 9, plaintiffs filed a motion for leave to file a second amended complaint.
7 Plaintiffs did not address jurisdiction. Accordingly, by **JANUARY 16 AT NOON**, plaintiffs shall
8 please file: (1) a brief explaining in detail their position (and any support) on jurisdiction and
9 (2) declarations from all plaintiffs’ counsel stating whether they will abide by the current case
10 schedule (Dkt. No. 198). In other words, the Court is concerned that plaintiffs if granted leave to
11 file the proposed second amended complaint will turn around and ask for giant extensions in the
12 case schedule. Any opposition to plaintiffs’ motion, due by January 23, should also address the
13 aforementioned points. All existing deadlines remain in place.

15 Dated: January 9, 2015.
